

Universal Service Spanner

48

Universal Service Spanner

Universal Spanners adjust automatically no matter what the size, so no guess work and no trial and error.

Will tackle every nut and bolt from 8mm all the way up to 32mm. Holds more securely than any ordinary spanner gripping in three places instead of just two.

Simply turn in the direction of the spanner tip to tighten, Then to loosen, just turn it over - nothing could be easier.

USSJSP - Universal Service Spanner
